To Whom It May Concern

It gives me immense pleasure in writing about Arpit Gole, a sincere and compassionate young man.

I confirm Arpit Gole's participation as a Social Media Campaign Analyst for our 2021 Social media campaign program.

Arpit was selected for the program in 2021, through Volunteering SA&NT website. He volunteered in this role from March to June 2021 (still ongoing) and contributed a total of 10 hours.

Vishva Hindu Parishad of Australia Inc. (VHP) social media campaign program is a volunteer program recognising the contribution volunteers make to the Hindu community of Australia.

Volunteers assist the VHP with outreach activities and events, spreading digital awareness about the Hindu Dharma, highlighting the problems to higher authorities, etc.

During his semester as a social media campaign analyst he was diligent and committed to support VHP to look after our community.

He was motivated to take initiative to assist with the gathering of social marketing data and writing of essays for online content on the latest topics and is always looking for opportunities to demonstrate his ability to work on a variety of tasks.

Arpit is an asset to the program and I have no hesitation in endorsing his skills. I wish him all the best for his studies and career.

Please feel free to contact me for further information or details.

Yours sincerely
